Welcome to term 4.

This will be your last newsletter for 2005 and what a year it has been for the HVU3A. The Committee, in spite of having to learn on the job, have had some remarkable successes. We did a needs analysis of the members, explored venues, streamlined our administration, networked with other U3As, offered a wide range of courses, and established our website. The Committee has worked hard and we can proudly say the Hastings Valley U3A is now a flourishing organization, secure enough in its foundations to meet the challenges of 2006. On a sad note the Committee will say goodbye to two valued members, Dr Bob Gerdes and Lyn Inall. We thank them both for their contribution in establishing the U3A. We shall miss their enthusiasm and hard work. Happily, Bob and Lyn will remain active members, sharing their knowledge and skills with others.

At the same time we extend a warm welcome to our Committee for 2006.
